The Marengo Fire Protection District is proud to announce the implementation of an exciting new program designed to assist you and/or your loved ones in the event of an emergency. On August 28, 2009, Senate Bill 2057 - The Illinois Premise Alert Program (PAP) Act was approved and incorporated in the State of Illinois legislative law. State legislators recognized the need to ensure that consistently high levels of public safety services are available to all members of the state, including citizens who may require special consideration in order to access services. The purpose of the program is to assist and direct the public safety workers who are responding and assisting citizens who may have disabilities or special needs. If you would like to read a copy of the act, it can be accessed on the MFPD internet site at www.marengofpd.org or on the Illinois General Assembly's web page at:
